INCENTIVES

This year, the boosters have set the following goal to reward participation in booster activities. If the booster fundraisers are successful, the following amounts will be deposited into the student's account in May 2022.

*30 points earned.....\$100.00
20 points earned.....\$75.00
10 points earned.....\$50.00*

For multiple students from the same family in the band, once the maximum points have been reached for any one child, each additional student's point levels are then one half of those listed above but still receive the full amount of money based on points earned. Example: (student one reaches 30 points, student two is at 5 points and will receive \$50.00)

Point accumulation begins with the Band Parent's Orientation Meeting in June of 2021 and ends in May 2022. Parents of marching band (instrumentalists and auxiliary) students and senior high concert band students receive priority in choosing volunteers for activities.
